

UYGUN OASIS CLUB III
APARTMENTS

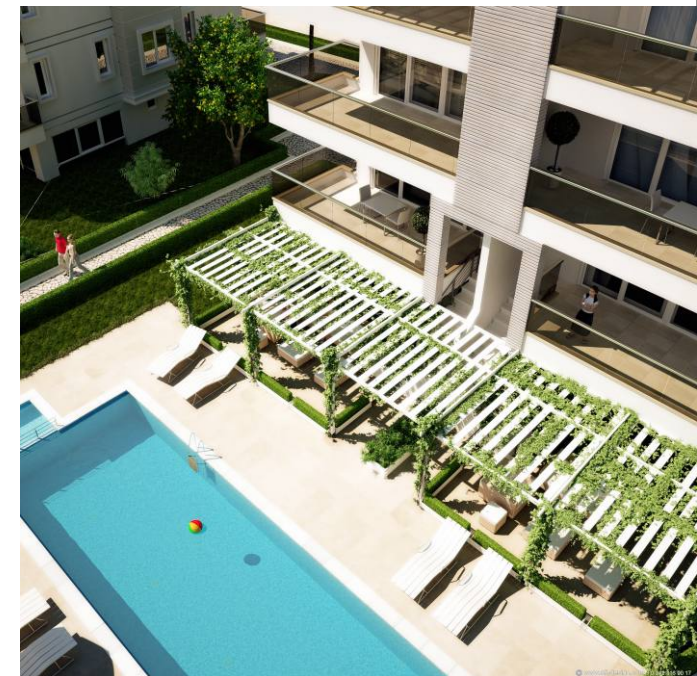

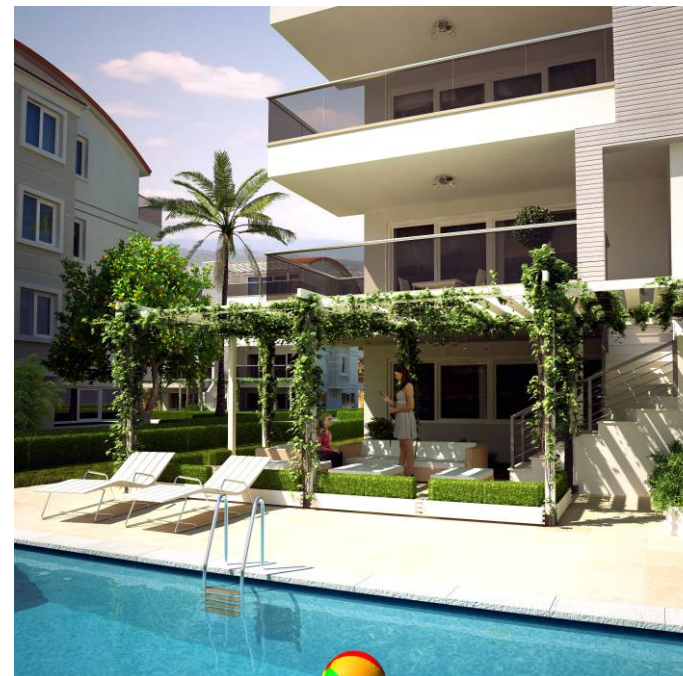

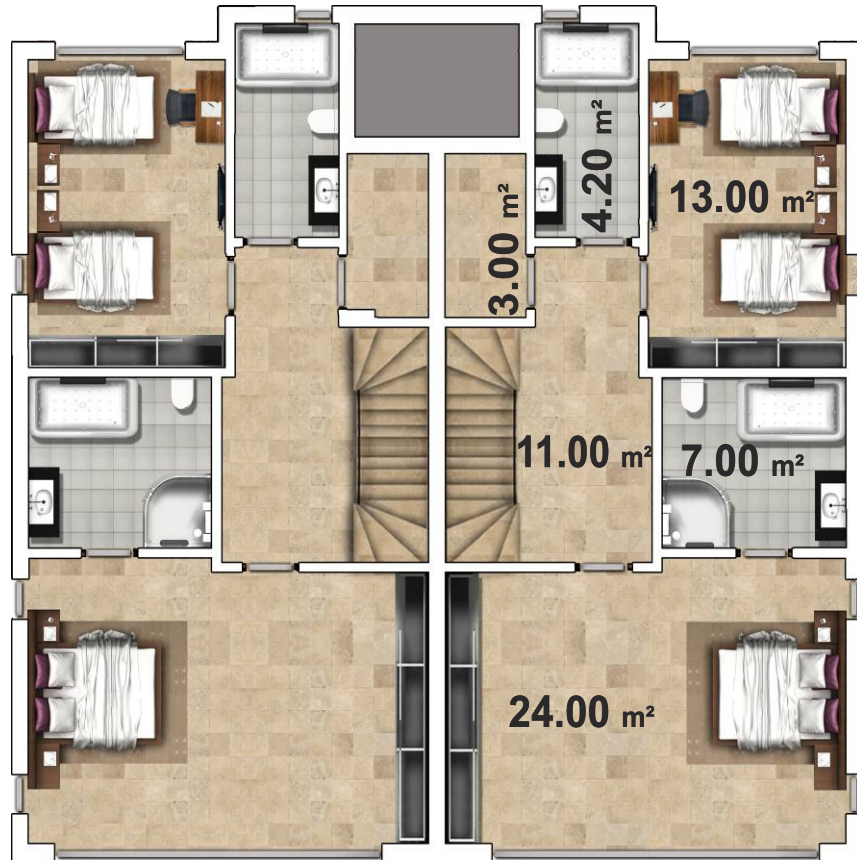

CONCEPT

Would you like to escape from the city's traffic and crowded areas? Uygun Oasis Club III offers you exclusive apartments in a lush garden just 400 meters from the sea in Alanya.

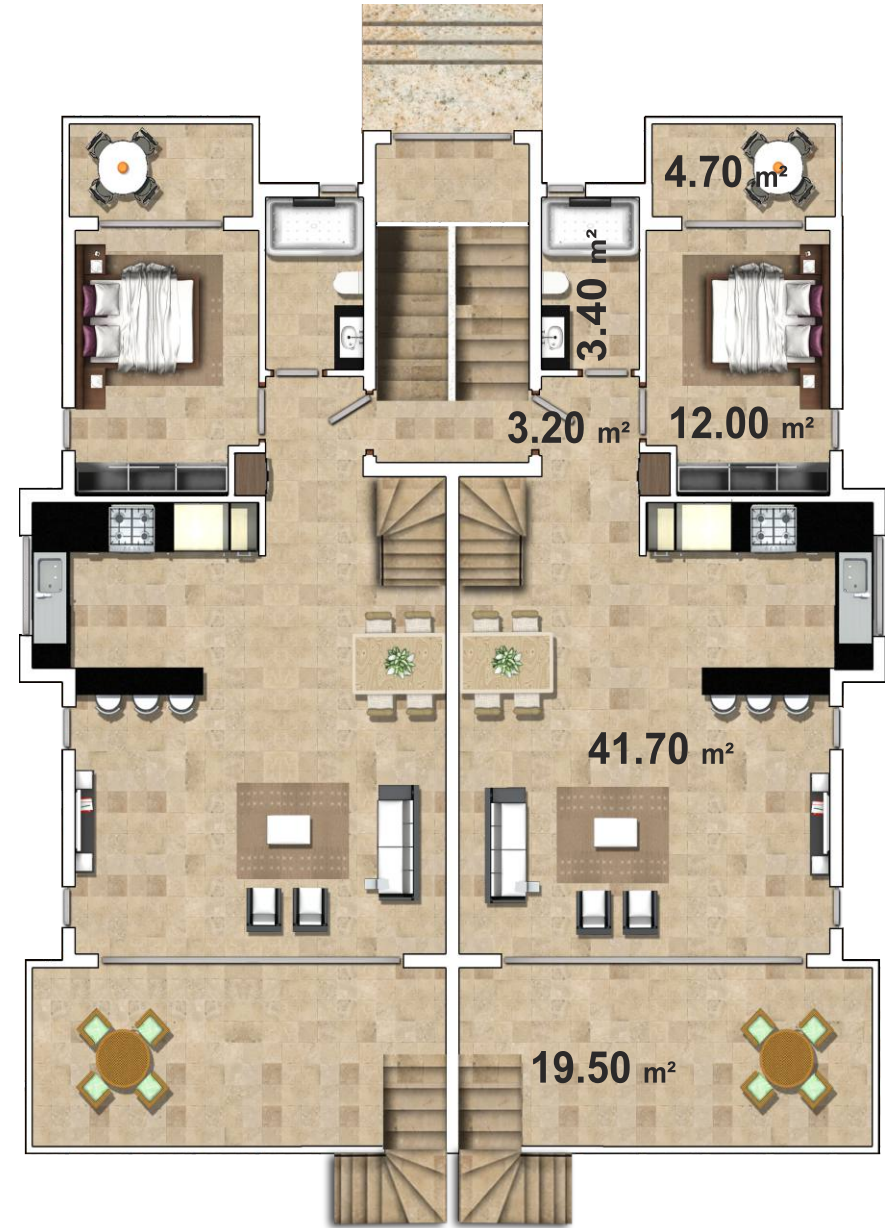

Uygun Oasis Club III is an exclusive boutique project. These sophisticated homes are situated in Konakli next to Uygun Oasis Club II villas, just 400 meters from a beautiful, private beach. Uygun Oasis Club III covers an area of 8.700 m² and consists of 2 different apartment types with totally 36 units of luxury apartments and 7.400 m² of common areas.

Optimal room planning with spacious living areas.

DESIGN

These private residences have been developed to cater for the needs of home seekers whose main interest is peace, privacy, quality and closeness to the sea.

Each block will have only 4 exclusive duplexes with an outdoor swimming pool. Uygun Oasis Club III consists of 9 blocks and offers the privileged services of a five star holiday village to all its residents.

The apartments are designed to the highest international standards with a modern minimalist architecture using high quality materials. Large panoramic windows and a living room directly accessing the private pool increase the feeling of luxury.
